SUPREME COURT CASE NO: 201, 2005 SUBMITTED: JUNE 2, 2005 DECIDED: JUNE 6, 2005 BEFORE STEELE, CHIEF JUSTICE, HOLLAND, AND JACOBS, JUSTICES THIS COURT HAS NO ORIGINAL JURISDICTION TO ISSUE A WRIT OF HABEAS CORPUS. FURTHERMORE, A WRIT OF MANDAMUS IS INAPPROPRIATE TO CHALLENGE THE LEGALITY OF JOHNSON'S ARREST AND INDICTMENT, WHICH ARE ISSUES THAT ARE PROPERLY REVIEWABLE ON APPEAL. MOREOVER, A WRIT OF PROHIBITION IS NOT WARRANTED BECAUSE THERE IS NO CLEAR AND CONVINCING EVIDENCE THAT THE SUPERIOR COURT LACKS JURISDICTION OVER JOHNSON. "Ground For Dismissal OF All Charges"

The 5 officer Charges must be Dismissed For Violation OF my my 4th, 8th and 14th Amendment Constitutional

Rights. By a illegal Search and Seizure of my home. They kick in my home door with-out a Search warrent. Pursuant to the Fruit OF The Poisonous Tree Doctrine all Charges must be Dismissed.

Statement OF The Facts

Fraud Present

a.) Taken From OFFicer PFC Unger A/Sgt Police Report OFFicer Unger Claims He Came to my home For a Demestic involving a knife "that Fraud" I did not have a knife.

b.) Taken From OFFicer Unger Police Report: They presented to him Fraud that is that I had threaten to harm myself.

Concluding

OFFicer Unger #2478 States he kicked in my home door because of the Fraud other officers had told him.

c.) Further Fraud the OFFicer Claimed that accused Victim Michelle Roebuck had told them I ~~had~~ had or she thought I might be in my home overdosing ~~on~~ OF illegal drug or my prescription medication.

Statement OF The Facts

The OFFicer made that up it's Fraud not one OFFicer ask me if I had taken any pills. They Claim to have talked to me Several times. Not once was it a Concern of theirs to ask had I taken a overdose.

"Whether There were Probable Cause to Kick In My Home Door
Accuse Victim's State OF Mind OFFICER Trudeau
Bg # 2587 Writen Police Report

" Writer observed that Michelle while speaking would start Laughing, then become very agitated and began yelling. Writer had advise Michelle to Calm down numerous times. Michelle Continued to Speaking jumping back and Forth From numerous Subject and not making sense. Writer To T _____ ?
OFFICER Price, NFD.

Concluding

Michelle A. Roebuck is a nut. I got her her Disability Check. She is a Sweet girl if totally Sober 3 drinks She a monster violent, dangerous and unpredictable. She punches hose in wall destroy people Property. Her main mental Condition is paranoid Schitophrenic. She gets drunk say one thing like don't drink no more, or give me your money your dont or anything She don't like, She takes off like a jet into a blizzard, Storm, rain, Cold. She roams the streets for hours. She blink in and out. Finally She Calls the police. I never understand why. But She does that every time.

(Police)

They come to my home and beat on it like they want to kill me. So I never open the door. I tell them she is drunk take her to jail or let her go when she come back alone I will let her in.

I used to chase behind Michelle when she take off running. But when I try to talk her back into coming home or say anything like don't drink she runs from me. A police lock me up for chasing her. She left me and him. I got arrest for being drunk but was sober. The next day she can't believe all she did and don't want to hear it from me. There nothing happen to Michelle at all.

If the officers had asked me I would of told them. No they listen to Michelle say maybe a hundred thoughts. The or the arresting officer made up these charges by exaggeration and changing the truth.

What Happen

I told Michelle she has to get herself together and can not be a drunk. I told her the hundred things she did while drunk. She gave away her money. She was bratting thing in my daughter house and getting a bad repretation. She talk off. Come back 8:00 PM. Light on but nobody's home. Mean she mentally gone. She told me, and a friend of mine told me that ~~the~~ Michelle had made \$20. the \$30, I was asking Michelle

how, she ignored me or could not understand me. My friend Angie is or sometime prostitutes. So I wanted to know how Michelle "made" the \$20 or \$30 dollars. Angie and other kept refusing or interrupting me from talking to Michelle. So I got tired and said give Michelle her \$20 dollars you said you have, she made. I ask how she got, and why she got Michelle's money. I said give Michelle her money get out let us talk so I can find out if she had sex for money. Because we just taken the Aids test and planned to get married. Angie refuse to shut up and let me talk to Michelle. So I got mad, went in the kitchen grabbed a knife and said give her her money. I tried hard but they know I would not do nothing, so they wouldn't give it to Michelle. So I said get out and went and put the knife in the kitchen sink. They did leave they ran out with her money. She to ran. I thought she went to get her money. Or they was getting high or going some where to drink. Bad as I love Michelle and care for her and sympathize with her. I know she do not know why she ran out that door. And if like always she would think I'm after her. So I could not talk to her because she not home. I just got out of jail and was not going for her again.

Michelle history was she would run the street and probly take off some her clothing and stay out harrassing people till the cop be call or just see her. Then they would bring her home. And I would come to the door and I say when you'll leave ill let her in.

This time I will not bother her when she come back. So I went and talk about 600 Mgr. of my Medication which is 6 times my average night cap to put me the sleep. I said ill crawl to the door. She'll be starving and wonder around till she come to her self. I won't say nothing to her at all, ill be sleep. Tomorrer or a Couple days later when she come to herself will talk.

Arrest OF The Defendant

Officers came to my house I did not know why, but by the way they knock on my door I know they was not getting in, and they knew they was not getting in. They could see me threw the crack of my door and they could see me threw the Window. I had not had a knife in over 4 hours. I was not overdosing on drugs. They wanted to get Michelle in my house and out there hands. Because os officer Trudeau said she was running them crazy. So a misdemeanor would not be a reason to kick in my home door, So they made up lie after lie till they said they don't care and kick in my door. At no time did they say I was under arrest. I set up, it was clear I had no weapon. It was clear I had not overdosed. I was attacked. I was drunk because when she left I was heart disturberd. So I went and get me a half pint of ging a six pack and Fifth of Mad Dog 2020. Plus had taken a lot of my medication. They chose to attack me. I ask what they want me to do. He could of just walk up and put

hand Cuffs on me.

Officer Marc W. Alfee #2555 Police Report Account

"Your affiant and Cpl Simpson gave Ronald several loud and clear commands to show his hands and get on the floor however he refused to comply."

Officer Cpl Simpson's #2320 Police Report Account

"Di refused to show his hands and then got off of bed." "Di was taken to ground by writer and others."

Concluding

I showed my hands because Cpl Simpson stated I touch him in his chest with my fist. I was suppose to be armed with a knife so they saw my hands and I did comply. And

Not Showing my hands itself would not constitute a resist arrest of itself. I could not get up, And could barely move. I was drunk and on medication. I Comply with Cpl. Simpson's Order. I Stand up and Show my hands.

The officer accuse me of Resist Arrest for not Comply with "his Order". His Statement from Police Report, There were several officer making commands I listened to Cpl Simpson's. I did not hear his command.

Re: Count 6 of Warrent And Count 7 of Indictment

Re: Resist Arrest

Officer Cpl Simpson #2320 Police Report Account

"Officer Donohue took custody of Di and took him outside to the waiting ambulance. Writer walked outside to area of ambulance. Di was very verbal with the ambulance crew, As writer approached the ambulance Di was attempting to get off of the stretcher."

Officer Marc Alfree #2555 Written Account from Police Report

"Ronald attempt to get up when he legs were being Secured so therefore Cpl Simpson grabbed Ronald"

Concluding

As Cpl. Simpson states I was being verbal with the ambulance and he approached, I told the ambulance that I had not attempt to commit suicide. I did not try to kill myself that that was all fraud to try to cover their ass.

That they kick in my door like they do all niggers. But that shit is not going to hold water. He got mad and came over and pressed the cuffs on my wrist so hard my bone crunched. I left my body up to twisted my arm in the cuff so it won't crush my bone. IF you put cuffs on wrong they can crush your bone. But if you twist your arm a little it will stop or cut off your blood but will not crush your bone.

Concluding

I was not trying to get off of the stretcher I was attempting to raise up till I could twist the cuffs so they would not crush my bones and so they would not hurt so bad. He knew because I told him.

Charges Re: Officer CPL Simpson #2320 Re: Menacing

Count 7 OF Warrant And Count 8 OF Indictment

"Writer approached the ambulance Di was trying to get off the stretcher, Di then attempt to kick writer with his feet"

Officer Marc M. Alfree #2555 Police Report Account

"Ronald Johnson was taken into custody he was escorted to an awaiting ambulance and was placed on a stretcher. Ronald attempt to get up when he legs were being secured so therefore Cpl Simpson grabbed Ronald. Ronald pulled away

and hit Cpl Simpson in the chest with his chest. Ronald Johnson then attempt to kick Cpl Simpson placing him in fear of imminent physical injury.

Concluding

Both Count 7 And Count 8 of Indictment happen at same time. Ambulance some how got me awake enough to speak and ask me had I overdozed. I said are you Crazy im a black man like you. They just kick in my home door illegally and without a warrent. My eyes was closed while I spoke. Cpl Simpson did not like what I was saying so he came and crushed my bone by closing my handcuff. I raised up and saw him and heard him. As I raised I tried to twist my rist. He shoved me down and crushed my left rist. I got up an said You crushing my rist. He said shet up. You want to talk so much there nothing wrong with you. So my rist hurts so bad I raise up and force my way I said to myself Im not going to be afraid to protect myself and be in this pain. So he tried to stop me from twisting my wrist so I fake a kick at him. Then they strapped my legs up. He crushed my left hand more so I faked to hit him with my chest. Once I got both my rist

twist so my bone was not being crushed I laid down. The black ambulance man pushed the officer CPL Simpson away from me and stretched me and signal other ambulance to pick me up and take me in. They shove CPL Simpson down and out of the ambulance because he tried to get up in the ambulance and was trying to hurt me.

Conclusion And End Of Case

They own Police Report will be and is evidence against the officers that no crime happen. That the charge are false and fraud. I did not commit any crime. Plus all officers charges would be dismissed for violations of my 4th, 8th and 14th Amendment Constitutional Rights And Pursuant to the Fruit Of The Poisonous Tree Doctrine for illegally breaking in my home.

Lastly And Conclusion Of Accused Victim Charges

Michelle A. Roebuck is not from Delaware. She is from Virginia. I payed her way here to visit. I had just been released from prison. She has returned to Virginia. Plus no crime happen. And she and the others was there say what all the officers say is false. There is no crime that happen.

The Officers was able to obtain (2) two offensive
 Touching Charges, (2) two Resist Arrest Charges and
 (1) one Menacing Charge by a unconstitutional illegal
 Search and seizure. The State Courts, The Law of the land
 and Supreme Court of The United States Mandated that
 the evidence to these offenses is in-admissible in
 any Court of Law. Therefore must be Suppress and
 Charges Dismissed. The evidence must be Suppressed
 and Charges Dismissed.

Supreme Court of United State Ruled And Mandated

The Supreme Court of The United State And Congress
 has Mandate the laws of the land Concerning
 the 4th Amendment. That is that illegally obtained
 evidence and Charges thereof must be Suppressed
 and dismissed for violation of the 4th and 14th
 Amendment of the Constitution. The evidence illegally
 obtained or obtain in violation of the 4th and 14th

The Charges Must Be Dismissed Pursuant To The Fruit OF The Poisonous Tree Doctrine

The Charges of the OFFicer must be Dismissed Pursuant to the Fruit OF The poisonous Tree Doctrine because the OFFicer violated my 4th Amendment rights And 8th and 14th by illegal Search and Seizure. The Fruit OF The Poisonous Tree Doctrine States,

" Fruit - OF - The - Poisonous - Tree - Doctrine. Criminal Procedure, The rule that evidence derived From and illegal search, arrest, or interrogation is inadmissible because the evidence (the "Fruit") was tainted by the illegality (the "Poisonous Tree") Under this inadmissible if the map showing it's location and used to find it was seized during an illegal search

Exclusionary Rule(1) Evidence, Any rule that excludes or suppresses evidence that does not satisfy a minimum standard of Probative Value < despite many exceptions, hearsay has long

been inadmissible under an exclusionary rule>.

(2) Criminal Procedure. A rule that excludes or suppresses evidence obtain in violation of an accused person's Constitutional rights <in accordance with the exclusionary rule, the Court did not admit the drugs into evidence because they had obtained it during a warrantless search of the defendant's home>."

"The deterrence of unreasonable searches and seizures is a major purpose of the exclusionary rule But the rule serves other purposes as well. There is, for example, . . . 'the imperative of judicial integrity,' namely that the Courts do not become 'accomplices in willful disobedience of a Constitution they are sworn to uphold' A third purpose of the exclusionary rule . . . is that of 'assuring the people — all potential victims of unlawful government conduct — that the government would not profit from its lawless behavior, thus minimizing the risk of seriously undermining popular trust in the government' " Wayne R. LaFare & Jerold H. Israel, Criminal Procedure 3.1, at 107 (2d ed 1992) quoting *Elkins v. United States* 364 U.S. 206, 80 S.Ct. 1437 (1960) *United State v. Calandra*, 414 U.S. 338, 94 S.Ct. 613 (1974) (dissent)

18
 In the simplest of exclusionary rule cases, the challenged evidence is quite clearly "direct" or "primary" in its relationship to the prior arrest, search, interrogation, line up or other identification occurring at the confrontation between suspect and victim or witness, a confession or admission made in response to questioning, or physical evidence obtained by search or arrest. Not infrequently, however, challenged evidence is secondary "secondary" or derivative in character. This occurs when, for example a confession is obtained after an illegally obtained confession, or an in-court identification is made following an illegally conducted pre-trial identification. In these situations, it is necessary to determine whether the derivative evidence is "tainted" by the prior constitutional or other violation "Wayne R. LaFare & Jerold H. Israel Criminal Procedure 9.3 a 471 (2nd ed 1992)

Conclusion

The officer charges all derive from a unconstitutional search and seizure. And must be dismissed and all evidence must be suppressed as stated above.

ORDER

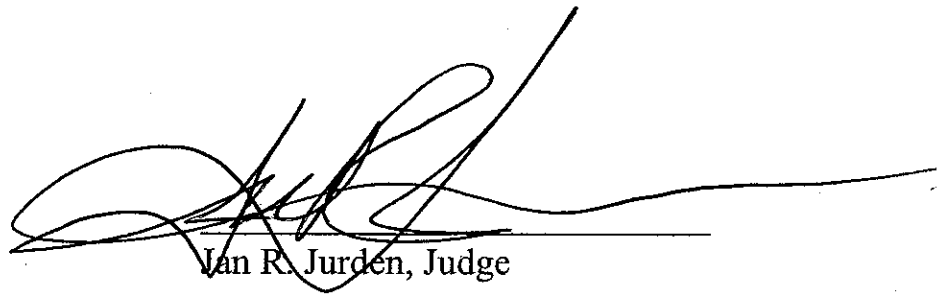

AND NOW TO WIT, this 22nd day of March, 2006, the Court having duly considered the following motions filed by the defendant: (1) "Motion for Judge Jan R. Jurden to Recuse Herself from Handling My Case," (2) "Motion for Bail Reduction and Modification of Bail and Modification for Delay Rule 46(i)," (3) "Motion for Reconsideration of 'Motion for Bail Reduction and Modification for Delay Rule 46(i)',", and (4) "Motion for Finding of Facts and Conclusions of Law."

IT IS HEREBY ORDERED that:

1. The Recusal Motion is factually and legally frivolous and is therefore **DENIED**.
2. The Motion for Reconsideration is **GRANTED**, and upon reconsideration, the [second] "Motion for Bail Reduction and Modification for Delay Rule 46(i)" is **DENIED**. The Court finds that the bail is appropriate under the circumstances and, again, the Court finds no speedy trial violation.
3. The "Motion for Finding of Facts and Conclusions of Law" is **DENIED**. The Court appropriately denied all the motions referenced in this latest motion because they were legally frivolous.

IT IS HEREBY FURTHER ORDERED that Defendant has engaged in frivolous motion practice which is wasting the Court's resources and delaying the adjudication of the charges pending against the defendant. Consistent with *Johnson v. State*, Del. Super., C.A. No. 05M-12-078-MMJ (March 9, 2006) (ORDER)*, the defendant is again advised that this Court will not permit further abuse of the Court's judicial process.

IT IS SO ORDERED.

Decided: March 9, 2006

ORDER

UPON DEFENDANT'S MOTION FOR RECONSIDERATION

DENIED

Upon review of Movant Ronald G. Johnson ("Defendant")'s Motion for Reconsideration and the record, it appears to the Court that:

1. On May 31, 2005, Defendant was indicted on nine offenses, including unlawful imprisonment, offensive touching, resisting arrest, menacing and weapons offenses. Defendant's final case review was held on November 7, 2005, and his criminal trial is scheduled to begin on May 16, 2006.

2. Defendant repeatedly has filed *pro se* petitions for writs of mandamus, which have been denied by this Court as well as by the Delaware Supreme Court.

3. On December 29, 2005, the Supreme Court of Delaware dismissed Defendant's consolidated petitions for extraordinary relief. The petitions requested that the Supreme Court compel the Superior Court, among other things: (a) to release Defendant by *habeas corpus*; (b) to order discovery; (c) to hold an evidentiary hearing; and (d) to dismiss the charges.

4. The Supreme Court noted that between May 13, 2005 and December 29, 2005, Defendant initiated a total of ten *pro se* cases concerning his pending Superior Court criminal matter. The Supreme Court also noted that Defendant's petitions for writs of *habeas corpus*, mandamus and prohibition and other extraordinary relief were dismissed on the grounds that the petitions were repetitive, frivolous and constituted an abuse of judicial process. Consequently, the Supreme Court ruled that, in the absence of a specific Order, the Supreme Court Clerk shall not docket any further *pro se* petitions for extraordinary relief that are filed by Defendant concerning his pending Superior Court criminal case.

5. Since April 2005, Defendant has filed nineteen criminal motions with the Superior Court. Since May 2005, Defendant also has filed seven petitions for writs of *habeas corpus*, and one petition for a writ of mandamus in this Court.

Defendant's current Motion for Reconsideration is another effort by Defendant to rehash issues that already have been considered multiple times.

THEREFORE, the Superior Court finds that consideration of Defendant's repetitive and frivolous motions constitute an abuse of the Court's judicial process. In the absence of a specific Order of this Court, the Prothonotary shall not docket any further *pro se* petitions for extraordinary relief filed by Defendant concerning his pending Superior Court criminal case. Defendant's Motion for Reconsideration is hereby **DENIED**.

IT IS SO ORDERED.
